## Single head horizontal microscope KC-H1602TW

Model	KC-H1602TW
Sensor	Adopting 2 million pixel imported Sony CMOS image sensor
Pixel size	2.9 $\mu$ m $\times$ 2.9 $\mu$ m
HDMI output	1080P 60 frames
USB output	1920*1080/30 1280*720/30 640*480/30 320*240/30 (MJPEG)
Underline	Provide 8 line drawing functions, line color, thickness, position adjustable
Base plate size	380mm*260mm*23mm
Mobile stage size	200mm*125mm
Lens	HD lens 0.7*4.5X+0.5X objective lens (0.5X objective lens optional)
multiple	20-135 times continuously adjustable (optional 10-270 times)
monitor	Standard HDMI interface 21.5-inch display is optional, and other displays of various sizes can also be connected
Ring light	T60, adjustable (frosted light source optional)
storage	Support TF card storage, maximum support 64GB
exposure	Support manual/automatic exposure/one-button exposure, exposure compensation value adjustment
White balance	Support manual/auto white balance/one-key white balance, red, green and blue adjustable
Input voltage	DC 5V-12V
Menu language	English/Chinese/Traditional
